

Dear CLC Supporter,

It is my honor to invite you to support Community Literacy Centers of Oklahoma (CLC) and the life-changing adult literacy programs we provide throughout the Oklahoma City metro area. Since 1987, CLC has been unlocking doors and changing lives by empowering adults to read, write, and communicate—skills that lead to personal achievement, professional advancement, and stronger families for generations to come. **Each year, CLC's biggest fundraising effort is the annual Private Reserve Gala, held this year on April 9 from 6-9 p.m. at the iconic Petroleum Club in downtown OKC.**

**This year, we honor
not just one story,
but Thousands**

Every learner who walks through our doors carries a story of perseverance, hope, and transformation. With each page turned and every new word mastered, those stories grow stronger—breaking generational cycles of illiteracy and creating lasting positive change for families and communities.

As we gather for Private Reserve 2027, we celebrate the progress made over nearly four decades while looking ahead to the unwritten chapters still to come. Your support ensures that more adults will gain the skills they need to navigate daily life, succeed in the workforce, and fully participate in their communities. These stories are made possible by the invaluable contributions of our teachers, staff, volunteers, board members, and donors. Private Reserve is a vital opportunity to recognize the impact and accomplishments of our students and supporters.

**When one person learns
to read, a Thousand
new stories begin.**

A NIGHT OF A THOUSAND STORIES

We respectfully request your support of our 2027 Private Reserve Gala:

Please review and consider purchasing tickets or one of these sponsorship opportunities -- your participation at any level directly advances adult literacy. Even if sponsorship is not feasible at this time, purchasing individual event tickets, making a recurring or one-time donation, volunteering your time -- all make a meaningful difference. Your involvement is not simply an investment in CLC, it is an investment in human potential within our local community, and beyond.

Thank you for being a beacon of hope and a catalyst for change. Together, we can transform lives through a single night -- we hope you will join us on April 9 at the Petroleum Club.

With sincere appreciation,

Sharron Jackson, President & CEO
